

10058470.012802

Hand-drawn sketches of mechanical components, likely a piston and connecting rod assembly, with various labels and dimensions.

Labels and dimensions include:

- 130
- 126
- 122
- F16 9
- 132
- 130
- 126
- 146
- F16 10
- 137
- 132
- 127

A cross-sectional view of a device. It features a central rectangular core labeled 132, which is surrounded by a rectangular layer labeled 137. The layer 137 has a hatched pattern. A dimension line indicates the width of the core 132 is 16.11.
